■ GROOMING ESSENTIALS

While these treatments are important for you to remain top-notch and looking fabulous, they are also your opportunity to take some much needed time out from the hustle and bustle of life. We want you to feel blissful even for your quick maintenance trips to Skin Revision.

Our hand and feet treatments include a scrub, cuticle tidy, nail shape, heal work (where needed) and includes a gel nail colour application and a nourishing blissful lower leg or arm massage.

Hygiene is so important and with our extensive research and longevity in the market, we present to you our PhD waxing system for all your hair removal needs.

For our tanning products we can provide you with a 100% vegan and cruelty free product that is free of parabens and a 100% natural DHA. You're not only getting a beautiful tan but a skin loving ingredient.
